---

A reference tool containing guidance drawn from the UN's Special Procedures and Treaty Bodies to support States in human rights based implementation of the Global Compact for Safe, Orderly and Regular Migration.

**Objective 23: Strengthen international cooperation and global partnerships for safe, orderly and regular migration**

## What This Reference Tool Contains

This compilation draws on recommendations from:

- Special Procedure thematic reports that relate specifically to migrants
- Treaty Body General Comments and General Recommendations that relate specifically to migrants

This practical tool emphasises recommendations for individual State action rather than observations, and includes those recommendations that assist in turning the objectives into practical actions rather than echoing the principles and standards agreed in the Compact.

Independent Expert on human rights and international solidarity (2018), A/73/206 (para.50(b))	The expansion and celebration of pro-migrant solidarity: The positive expressions of human rights-based international solidarity by elements within civil society, cities and other local governments, States and regional organizations, and at the global level, should be reinforced, expanded, supported by others and celebrated more widely as imperative pro-human rights and pro-humanitarian acts that save the lives of thousands of global migrants; ensure that they are treated with the dignity to which they are entitled; and advance global integration, development and justice;
