Are you excited by the possibility of working in a friendly NGO team committed to building world peace and based in a pleasant environment in Geneva? QUNO is seeking an experienced, very organised, service-oriented office manager to ensure the smooth running of our office of ten staff and the 1920’s historical house in which it is situated.

ABOUT QUNO

The Quaker UN Office (QUNO) works to promote peace and social justice in the international institutions in Geneva concerned with human rights and refugees, climate change, peace and disarmament and sustainable and just economic systems. QUNO staff work with people in the UN, multilateral organisations, government delegations and non-governmental organisations, to achieve changes in international law and practice, with a view to promoting a more peaceful world.

QUNO holds a unique place in Geneva, with its long history of providing a neutral space for diplomats, UN officials and others to meet informally and off-the-record, to discuss issues and build partnerships which they could not do in a more public or partisan setting.

Our methods and the values on which they are based have resulted in key successes, such as the anti-personnel mine ban treaty, the outlawing of the use of child soldiers, the World Trade Organization’s recognition of the need for affordable medicines and helping create the understanding necessary for the Paris Agreement on Climate Change.
